Claywood Park PSD Approved For Water & Waste Disposal Funds

Morgantown, WV – June 27, 2006: State Director Robert M. Steptoe, III, today announced that **Rural Development** approved a Water and Waste Disposal Direct Loan of \$2,900,000 for Claywood Park Public Service District, Wood County, WV.

The project consists of the replacement of approximately four miles of waterline, a new booster station, a new 388,000 gallon water storage tank, and a new operations and maintenance center.

Steptoe stated, “Rural Development funds will be used to construct several water system upgrades to provide an enhanced level of service for the District’s 3,490 existing (and future) customers.”

Rural Development serves as the lead Federal entity for rural development needs and administers program assistance through its rural housing programs, rural business programs, and rural utilities programs. The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual’s income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
